Disclaimer: An entity's use of the Hackensack Meridian Health ("HMH") Endorsement Seal of Approval ("Seal") establishes that the entity has formally engaged HMH to guide its documentation and processes with respect to the entity's preparations for the return of its work force and customers. The content in any document or any particular process guidelines containing the Seal is based on the acquired knowledge, experience and best practices established by HMH in its involvement with COVID-19, which took into account the then current governmental and regulatory guidelines (as of date provided by HMH). The Seal establishes HMH's recommendations. The Seal is not an endorsement or guaranty that any particular document or process is superior to other documents or processes and should not be construed by the entity or any third party as such, including but not limited to the entity's workforce, customers or visitors. The Seal should not be relied upon as a basis for making any business, legal or any other decisions by the entity or the entity's workforce, customers or visitors. The entity, as well as the entity's workforce, customers and visitors agree that the entity's use of the Seal does not afford any of them the ability to make a claim of any kind against HMH, or any of its affiliated entities, or their respective directors, officers, trustees, employees, agents or subcontractors for any and all damages that result from the use of the Seal. And the entity, as well as the entity's workforce, customers and visitors, understands that much of the content provided by HMH remains relevant, but that the governmental and regulatory guidelines continue to change and although a Seal is provided, the governmental and regulatory guidelines may require further updating of the documents and/or processes.
